## MY SOFTWARE EXPERTICE

I always try to upgrade my programming Skills in a continuous process.

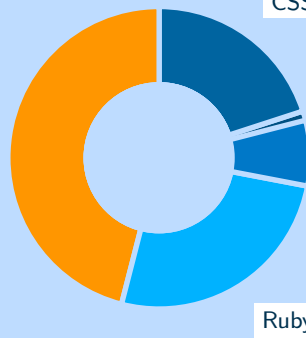

### LANGUAGES

English (Advanced)

Spanish (Native)

Portuguese (Basic)

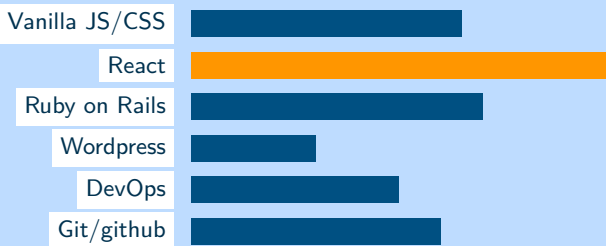

JavaScript

Ruby

Julia  
C/C++

CSS3

I keep an Eye in latest tools but also prefer to work in solid foundations when making my apps, so I try to take care on performance, accesibility and good UX.

## PRIORITIES

Through my life I always tried to be happy but think ahead, in the future, in my family.
